

1. Curriculum Vitae

Name : Michel GHO

Birthdate & Birthplace: August 21th, 1958; Santiago (Chile)
Function : Directeur de Recherche (DR2) CNRS

Present situation:

Principal investigator of the team « Cycle et Détermination Cellulaires ».
IBPS - UMR 7622. Laboratoire de Biologie du Développement CNRS- UPMC.
Université Pierre et Marie Curie
9, Quai St. Bernard
75005 Paris, France

Laboratory website: http://gholab.snv.jussieu.fr/SiteGHO/Home_page_Gho_Lab.html

Phone: 33 (0)144272249

Fax: 33 (0)144273445

e-mail: Michel.Gho@upmc.fr

Cursus

1976-1981 BSc, Faculty of Sciences, University of Chile.

1981-1983 MSc, Faculty of Sciences, University of Chile.

Thesis topic: Visual temporal frame and the cortical alpha-rhythm. *Thesis Advisor:* Dr. F. J. Varela.

1983-1989 PhD thesis in Neuroscience. University Pierre et Marie Curie, France.

Thesis topic: Long-Lasting modification of the synaptic properties of rat hippocampal CA3 neurones after epileptiform activity. *Thesis Advisor:* Dr. Y Ben-Ari.

1989-1991 Post-doctoral stage (Department of Genetics, University of Madison-Wisconsin, USA).

Research Experience

1981-1983 Laboratory of Neurobiology (Drs. F. J. Varela and H. R. Maturana). Science Faculty, University of Chile

1983-1985 Unit of Neuromuscular Physiology (Dr. A. Mallart). Gif-sur-Yvette.

1985-1989 Laboratory of Neurobiology and Developmental Physiopathology. (Dr. Y. Ben-Ari). Hôpital Port-Royal. Paris.

1989-1990 Laboratory of Genetics (Dr. Barry Ganetzky). University of Wisconsin-Madison. Madison U.S.A.

1990-1991 Laboratory of Molecular Biology (Dr. Ching Kung). University of Wisconsin-Madison. Madison, U.S.A

1991-1995 Laboratoire de Neurobiologie Cellulaire. C.N.R.S. Gif- sur-Yvette, France.

1995-2000 : Equipe ATIPE-URA 1857 (François Schweisguth). Institute Jacques Monod and Ecole Normale Supérieure. Paris, France.

2000- PI of research group «Cell cycle and cell determination». UMR 7622 Biologie du Développement. UPMC.

Main Publications

30 papers published in peer-reviewed journals.

Main administrative responsibilities

Member of committees for MCF recruitment at Université Paris VII (2015-2013)

Member of the AERES scientific committee for CBD (Toulouse) evaluation (2014)

Organizer of the "Séminaires du Mercredi", UMR 7622.
